**Minimum Balance Requirement:** You must make a minimum deposit of \$1,000 to open this account. You must maintain this minimum balance on a daily basis to earn the annual percentage yield disclosed.

**Balance Computation Method:** We use the daily balance method to calculate the interest on this account. This method applies a daily periodic rate to the principal in the account each day.

**Transaction Limitations:** You cannot make deposits to this account during a term (other than credited interest). You cannot withdraw principal from this account without our consent except on or after each scheduled rate change interval or maturity. For accounts that automatically renew, there is a ten (10) day grace period after each scheduled rate change interval and renewal date during which withdrawals are permitted without penalty. Interest earned during one term that is not withdrawn during or immediately after that term is added to principal for the renewal term.

**Early Withdrawal Penalty:** If we consent to a request for a withdrawal that is otherwise not permitted, you may have to pay a penalty. The penalty will be an amount equal to 360 days' interest on the amount withdrawn (for terms 48 months or longer).

There are certain circumstances such as the death or incompetence of an owner of this account, where the law permits, or in some cases requires, the waiver of the early withdrawal penalty.

**Automatic Renewal Policy:** This account will automatically renew on the maturity date. Each renewal term will be the same as this original one, beginning on the maturity date. You must notify us in writing before or within a ten (10) day grace period after each scheduled rate change interval or the maturity date if you do not want this certificate to automatically renew. We reserve the right to stop automatic renewal by written notice to you before maturity. The rate for each renewal term will be determined by us on or just before the renewal date, and will be paid until the next rate change interval or maturity date. On accounts with terms of longer than one (1) month, we will remind you in advance of the renewal and tell you when the rate will be known for the renewal period.
